

# GET TO KNOW ...

DANIEL SPANSKI-DREFFIN

Daniel Spanski-Dreffin was inducted into the Rotary Club of Three Creeks on November 2, 2017 as the club's first-ever transfer from another club. Daniel and his wife Kaaren – a member of the Rotary Club of Greater Clark County – have a young family who are “Rotarians In Training”. Daniel’s engagement in the club includes his participation as a local star in the 2020 Dancing with the Local Stars, and service on the club’s board of directors. He is currently the club’s president elect and will take over as president on July 1, 2021. Daniel also introduced the Rotary “Super Hero” pin to our club.

**Why did you join Rotary?** I was lucky enough to have a professor in college who was (and still is) a great Rotarian. He was the Rotaract Advisor for the Rotaract Club of Centralia College, and a passionate member of the local Rotary Club. I was able to join Rotaract as a student and go to a handful of events hosted by both Rotaract and Rotary. Once I completed the degree I was welcomed with open arms to my (at the time) local Rotary Club, Twin Cities Rotary.

**What do you like about our club?** I was drawn to the culture of our club. Many current members know that I "Rotary Shopped" when I first moved to Clark County. I was still commuting to Lewis County for work and other business so I continued my membership at Twin Cities. When I moved my business to Clark County, I knew I had to find a club that would allow me to continue my passion with Rotary.

**What Rotary activity did you find your passion in?** I love the connection that is fostered between Rotary, Rotaract, and Interact. I hope to continue and possibly improve those connections.

**What's your superpower?** According to my daughter, I am “The BEST Daddy in the world!”

**Would you like more information about Rotary? Check us out. First and third Thursdays 5:30 p.m.**

Creed Coffee Co., 10718 NW Lakeshore Ave., Vancouver, WA 98685

Currently meeting on Zoom. Visitors are welcome! Visit our website or Facebook for more information.
