

# GET TO KNOW ...

KELLEY CAMPBELL

*Kelley is the Owner & Chief Everything Officer, Chief Coffee Consumer and Profit Prognosticator at Specialty Graphic Solutions in Salmon Creek. And in 2020-21, she happens to be the fourth club president in the Rotary of Three Creeks history.*

**Why did you join Rotary?** Rotary is a great way to be engaged in the local community. In my previous careers I moved around a lot (I actually had a direct dial line to a United Van Lines account manager) or traveled for work extensively. Now that I'm settled in one spot, I find I really enjoy being a part of the people and happenings in Clark County. Running into people I know when I'm out and about makes my day!

**What do you like about our club?** It's a genuinely nice group of people who care about others and work together to make a difference. We aren't afraid to try new things, and we always seem to be able to find fun in what we do.

**What Rotary activity did you find your passion in?** I have trouble zeroing in on favorites and a single passion because I like something about most everything. I've really enjoyed hands on service projects – even cleaning up trash or culling blackberry bushes can be fun with the folks in our club; I've picked up lots of new ideas and information from program speakers; I enjoy chatting with members and guests over a glass of wine at meetings; and I've developed some great friendships.

**What's your superpower?** Give me a costume change and a wig, and I can transform into a sparkly, '70s Disco Diva who can both do the Hustle and raise money for the Rotary Club of Three Creeks and the good work they do!!

**Would you like more information about Rotary? Check us out. First and third Thursdays 5:30 p.m.**
